## **"Soft *Hindutva*" no use: It has to be a fight to finish the Enemy or total surrender to Brahminism**

The horror picture of the pig-rearing *jati* (Lodha) *sanyasin* Chief Minister, Uma Bharati — coming out of the Tirupati temple on Dec. 10, 2003, her head completely shaved, clad in *kavi saree* — gave us a shock and made us think of the shape of the things to come. India is fast becoming a *Hindu Rashtra*, a land in which non-Hindus will have to live at the mercy of the upper castes (Hindus). And drowned in superstition and idol worship.

The non-Hindus, according to these Hindu heroes, are only Muslims and Christians. The last, just 2.5% of our population, have already surrendered to Hindus. The upper caste Christians controlling the church have thrown their lot with their ruling cousins.

That leaves only the Muslims (15%). The current Hindu nazi violent bulldozing drive will mainly affect them. The micro-minority elites among Muslims are eager to embrace the Hindus but the toiling Muslim masses, whom the Hindus hate so intensely, are putting the break.

### **Karnataka as next target**

Muslims will face more horrible days and we will not be surprised if the Gujarat Genocide -2002 is repeated. May be in Karnataka, being a soft target.

This is the horror picture we get of India as we see the hated Lodha "low caste" woman made CM of MP, emerging out of the Tirupati temple.

Every upper caste heart is in America and their language is English. They talk *swadeshi* but drink *videshi*. Uma Bharati, a stupid BC puppet in the hands of Hindus, represents this serious contradiction in the Hindu society. This contradiction is deliberately maintained to fool the bloody fools and keep them as their permanent, unthinking slaves. Uma Bharati herself is one such slave, enjoying her slavery.

## **Biting dog**

Brahminism treats even the Brahmin woman as a doormat. The Laws of Manu apply equally to the Brahmin woman also. When this is the position of a Brahmin woman, what about this pig-rearing *jati* woman, almost an Untouchable?

It only goes to show that the Brahminical rulers are prepared to make any compromise to see that Brahminism reigns supreme. Such a compromise may bend or break India. They don't care. As long as the *vaidiks* are on the top, they don't care what happens to India.

Kalyan Singh, Uma Bharati's *jatwala* CM in UP, was once used to demolish Babri Masjid and then kicked out unceremoniously. Uma Bharati will get worse treatment the moment she ceases to be the barking dog if not the biting dog of Brahminism.

Our people learn no lessons from history because the SC/ST/BCs — the three non-Hindu "lower castes" — are kept in grinding poverty so that they may remain illiterate, ignorant and unthinking morons. And such morons are made more gullible and more funky by painfully subjecting them to *Hindutva* mind-manipulation. All sorts of entertainment, Hindu religious dopes, drinks and drugs are supplied to make them good Hindu, meaning good slave.

## **Essence of *Hindutva***

Once these innocent SC/ST/BCs are made perfect monkeys, then the next stage begins — that is to instigate them against Muslims. The job is done.

This is the quintessence of *Hindutva*. It is so simple. The theory is as old as the *Ramayana* and *Mahabharat*. Centuries of hard work, sacrifice, systematic mind-manipulation have gone into *hinduising* (enslaving) the non-Hindu SC/ST/BCs. This fact has to be admitted and admired.

The latest victory of the Hindu nazi party in MP, Rajasthan, Chhattisgarh is the result of such a well-organised Hindu nazi

mind-manipulation exercise. *Vaidik Vajpayee* may say that his party victory is due to its "development work". Bullshit.

The *hindusation* of the cowbelt is complete.

### **Mischievous Left parties**

Voting analysis of all the Assembly elections has shown that the upper castes (Hindus) have solidly voted for their Hindu nazi party. But the SC/ST/BCs and Muslims, victims of Hindus, have favoured the Congress, the original Brahminical party of India. But the voting pattern shows that there has been some swing of the SC/ST/BCs from the Congress to the *Brahmana Jati Party* (BJP). This is due to the reckless *hinduisation* (enslavement) of these three non-Hindu communities.

The Congress and other parties including our mischievous Left parties did nothing to check this drift. What is the point in weeping today?

This is the trick of the trade. And every political party being Hindu in essence is silently in sympathy with their cousins in the BJP.

We have said this over a hundred times. We are tired of repeating it. The "educated" among the SC/ST/BCs are not ready to understand what we say. The uneducated SC/ST/BCs do understand but we can't reach them. This is our tragedy. And we are deeply worried about this.

### **Muslim indifference**

But what is much more worrying is the indifference of the Muslims to their impending gloom and doom. (*See the following article p.8*).

The Hindu wave that has swept the cowbelt clean is bound to sweep the saner South India also. This is our fear.

Since the Muslims are considered the uncompromising enemy of Hindu nazis, they will be the first and the only target of the violent fury. That means they have to get ready for a second

but more gory Gujarat Genocide which converted *Hindutva* into *Moditva*. Karnataka, under an upper caste S.M. Krishna, a showboy Chief Minister, may be chosen as the soft target. (DV March 16, 2002 p.7: "*Decline of a showboy Chief Minister*").

### **TN, AP & Kerala**

The *Bangalore Papatti* has already ensured *hinduisation* of Tamil Nadu, the purest Dravidian state of India. Even without joining the coalition, she is a trusted ally. The other fake Dravidian, the "*Cut Throat*", is on the death bed. The TN road is smooth. Andhra's Chandrababu Naidu is already a part of the Hindu nazi gangsterism.

The Nair-slave Ambalvasi Karunakaran is being encouraged to break the Congress party in Kerala. He may not succeed immediately. But the fisher-woman, Mata Amritananda Mayi, is already there assuring entire coastal belt to play football with the lives of Muslims. The Syrian Christians are happier already with their cousins in the nazi camp. A.K. Antony is a Syrian . When the Nairs and Syrians tilt towards the nazis, Ezhavas will not be far behind. Dalits of Kerala, nobody bothers. Whether it is a marxist rule or Congress rule, Kerala has been always pro-Hindu despite the heavy presence (25%) of Muslims. This is because Kerala is the land of Adi Shankara.

### **Sharad Pawar mischief**

Maharashtra is plunged in stamp paper scam and the Shiv Sena, the younger brother of Hindu nazi party, will manage the show. The Maratha strongman, Sharad Pawar, is already flirting with the nazi forces. Dalits are badly divided and their leadership can be purchased. With Kanshi Ram ill and Mayawati mangled in criminal cases, Bahujan Samaj Party is in disarray. Yadava leader Mulayam Singh, already a good Hindu, is fully secured. UP's Nawabi Muslims are liked by the nazis. They can be managed.

The only problem is Bihar's Laloo, the most formidable foe of Hindu nazis. He can be tackled at the right moment, depending

on the situation. Because the false criminal cases against him are still alive. CBI is kept ready to pounce upon him. The judiciary is obliging.

The Hindu nazis have full hope in the *vaidiks* and other upper castes inside Sonia Gandhi's Congress Party, the original Brahminical party of India. These Hindu nazi agents within the Congress will not allow the Congress Party to take a strong anti-*Hindutva* electoral line.

### **How to kill the monster**

The defeated MP Chief Minister, Digvijay Singh, is a Thakur (Kshatriya), ranking next only to the Brahmin. His caste status will not allow him to launch an all-out war against *Hindutva*. He fell because of this "soft *Hindutva*" line.

*Hindutva*, which is the other name for Brahminism, cannot be finished in a half-hearted battle. Aim the gun at the head and fire. In one shot, the monster has to be killed. There is no other way.

Sonia's Congress will be able to check the Hindu nazi surge only if it launches an all-out, no-holds-barred assault on *Hindutva* as propagated by Dr. Ambedkar, Periyar, Mahatma Phule etc. Any compromise will only help the nazis.

### **Italian origin**

Sonia, who has the backing of the SC/ST/BCs and Muslims — as the Assembly voting pattern has revealed — will not be allowed by the Hindu leaders surrounding her to take such an all-out, no-holds-barred anti-*Hindutva* stand. If she is determined to fight the monster and save the country then she has to first eliminate the *vaidiks* and other nazi elements in her top leadership.

Does she have that courage? She is too young, too immatured and too weak to take such a tough stand. Her knowledge of the Indian social structure is not deep enough. Pro-Hindu nazi elements in her party are already conspiring by raising

her "Italian origin". But the masses of India are not bothered about her origin. All these dangers are there. Besides, the nazis are ruling in Delhi and hence have all the advantages. Funds they have in plenty. Media is already their own. The latest is the entry of sting operators. The Pramod Mahajans and the Arun Jetleys can launch a Tehelka-type operation to discredit anybody, anytime. Dangerous days are ahead.

Whichever way we look, we see the saffron.

People get the govt. they deserve. People get the leaders they deserve. If the country wants to commit suicide, how can we prevent it? Four years back did we not predict "*Sunset on the Dalit world?*" (DV Edit March 16, 2000). Our prediction is coming true.

### **Non-Brahmin gang-up under Advani**

No doubt, it is all-round darkness. But amid this darkness there is a silver lining. Our only hope is in the caste contradictions (conflicts) playing havoc within the nazi party. (DV Edit Oct. 16, 2003: "*Caste war within BJP hots up: All-out vaidik bid to block Advani's rise*"). Non-Brahmins under the leadership of Advani are ganging up against Vajpayee. Every state and district unit of BJP is a house divided.

Let the nazis go on "uniting" people showing the mirage of *Hindutva* but we can undo everything if we go on dividing them on caste lines. *Caste mantra* kills *Hindu tantra*. Caste (identity) is our greatest hope. *The mantra* of caste will kill the *tantra* of casteism (Hinduism).

"*Caste identity*" is our trump-card. But this needs lot of study and deep knowledge of Indian society. DV has produced enormous literature on this subject. This is what we meant when we said: Aim the gun (caste) at the head and fire. The monster will fall dead. We have kept the weapon ready. If only our people learn how to use the weapon, precision-perfect, success is assured. ■

## **Hindu nazi surge will force Muslim masses to overthrow leadership**

Earlier M.K. Gandhi and his Congress, the original Brahminical party of India, deceived us in the name of *swaraj*. And now Gandhi's children are ditching us in the name of *Hindutva*.

The Hindu nazi party led by *Vaidik Vajpayee* is the child of the Congress. Both belong to the same caste and class led by the choicest *vaidiks*.

The difference is the Congress is led by the more dangerous "*Socialist Brahmins*" who pretend to be brothers of Dalits and Muslims but give them slow poison. But the Hindu nazis are straight-forward. They are made of better and more honest stuff. The party of "*Sacred Brahmins*" do not make any such pretensions. They are frank and forthright in denouncing the Muslims as anti-national and hence fit to be finished. Between the two devils, we prefer the latter. Because an honest enemy is any day better than a dishonest friend. (V.T. Rajshekar: *Dialogue of the Bhoodevatas*, DSA-1993).

### **Policy on Dalits**

The Congress deceived the Muslims but today the same Muslims are able to **identify** their enemy and declare a war against the Hindu nazi party of BJP.

The *Brahmana Jati Party* (BJP) is only a slight improvement compared to the Congress. But as regards the Dalits (20%), Tribals (10%) and Backward Castes (35%), there is no difference between the BJP and Congress policies. The war is declared only against Muslims. The Muslims form only 15% of the population and they are mostly an urban community. They have only pockets of influence. The BJP can still sweep the election without the Muslim votes.

But that is not the case with Dalits. They are spread all over India — both urban and rural — and have a big strength of

population. BCs are no problem to nazis because they are a highly confused lot.

### **Dalits hated more than Muslims**

We have repeatedly said that the *vaidiks* and other upper caste (Hindu) camp-followers hate the Dalits much more than the Muslims. Nay. The upper castes do not hate Muslims so much. They also know the Muslims cannot be enslaved like the Dalits. But they hate Dalits from the bottom of their hearts. It is a centuries-old pathological hatred. The divide between the Hindus and Dalits is total and unbridgeable.

But the Hindus cannot show their hatred openly for electoral reasons — though they have done everything to keep the Dalits as slaves. Their trick is to keep the Dalits poverty-stricken, hence illiterate and then "love" them by *hinduising* them. *Hinduising* the Dalits is the other word for keeping them enslaved and then instigating these innocent people against Dalits.

Gandhi's love for *Harijans* was the beginning of the *hinduising* process. (Read Dr. Ambedkar's book, *What Gandhi & Congress have done to Untouchables*, W&S, Vol.9, Maharashtra Govt., 1990).

The more honest Hindu nazi party struck off Muslims from the list of lovers and with the help of their Brahminical media made Muslims as the most hated people. And then compensated the Muslim deletion by stepping up their "love" for Dalits and Tribals. The latest Assembly election results indicate a big swing in the SC/ST voting from the Congress to BJP. Their "love" for SC/ST/BCs is to convert these three non-Hindu communities into good, loyal Hindus (meaning slaves) by injecting a strong anti-Muslim hatred. The injection produced miraculous results when the Dalits took the leading part in Babri Masjid demolition (1992) and again in the Gujarat Genocide - 2002. All anti-Muslim riots are planned by the upper caste Hindu nazis but carried out mainly by the Dalits.

The two principal victims of Hindu nazis are therefore, Dalits and Muslims.

### **Muslim poverty of thinking**

Why the Muslims, belonging to a revolutionary religion which has given every guidance to the Muslim from his birth to death, have allowed particularly the Dalits to become victims of Hindu nazis? We have confronted the Muslim leadership with this question at innumerable meetings but we are not getting the satisfactory answer. At some meetings, they admit their failure but are not taking corrective steps.

So, we hold the Muslims primarily responsible for the spread of Hindu nazi hate poison. Since we have explained this point innumerable time, we don't want to repeat it here.

Muslims have the right religious instructions to remove the Hindu poison. But the Muslim leadership deceived their own masses under the pretext that being Muslims they cannot interfere in the affairs of Hindus. The poverty in their thinking is so appalling that they mistake Dalits, victims of Hinduism, to be Hindu. They are now paying heavily for this mistake.

### **Nazis exploit Muslim ignorance**

Muslims and Dalits have the same (Hindu nazi) common enemy. Besides, Muslims are mostly converts from SC/ST/BCs. Hence Muslims are our blood brothers. Both live together. Both are beef-eaters (Dr. Ram Nath: *Dalit-Muslim Unity, Why & How?*, DSA-1995).

Besides, the Muslims are a powerful community which ruled this country for 800 years. Despite all such great qualifications and a 25-year-long education through *Dalit Voice* and our DSA books the Muslims have refused to learn.

So much so, today they have become the chief victims of allowing the SC/ST/BCs to be *hinduised*. They have also become the sole victims of this violent *hinduisation* drive. More violence will follow.

The problem with the Muslims is their lack of knowledge of Indian social structure, its caste system. They think SC/ST/BCs are all Hindu. This ignorance is exploited by the Hindu nazis. Even after so much of damage, we see no signs of Muslims correcting themselves. (V.T. Rajshekar: *Muslims & Mustadafeen*, DSA-2003).

We don't want to deal with the Christians. Not because it is too small a community (2.5%) though possessing enormous influence. We have no hope in the church fighting Hindu nazism because the entire church leadership is with the Brahminised Christian leadership. (DV Dec.16, 2003 p.6: "*Church must stop talking of Dalits*").

After the Muslims, we hold the "educated" Dalits responsible for today's situation. Among the SC/ST/BCs, the first one, the Dalits, are the leaders of revolution.

As children of Dr. Ambedkar who has left every weapon to fight for their liberation, they produced hundreds of educated people, occupying fairly good positions but, with minor exceptions, they all forgot the community service. Not only that. They got *hinduised* and allowed their community to become the fighting force of the Hindu nazi army.

### **Accused No.1 & Accused No.2**

The Dalit leadership particularly the "educated" and employed Dalits failed to study and act upon Dr. Ambedkar's thoughts.

We are not blaming the Congress which is the "A" team of the Brahminical Social Order. BSO is doing its duty very well. SC/ST/BCs and Muslims were no better under the Congress. And no worse under the Hindu nazi rule.

So, there is no point in criticising the Congress. The Left parties are more dangerous. Other political parties are also Hindu in content. The only exception is the Bahujan Samaj Party.

To us, the Muslim leadership is the accused the No.1 and the Dalit leadership accused No.2

Both sets of leaders are in no mood to change because both have been corrupted and co-opted to the core.

But we have abundant confidence in the Muslim masses and the innocent Dalit masses.

Our problem is how to get at them. We do not know their language. Distance is another problem. BSP being a political party bypassed the "educated" Dalits and went straight to the masses. This is the advantage of a political party.

### **Problem facing DV**

Since ours is a socio-cultural movement — the first of Dr. Ambedkar's famous "Three commandments" — we face innumerable hurdles.

The Hindu nazis want to first finish the Muslims and then come to Dalits. This is their strategy. It is in this crucial process of "finishing" the Muslims we see full hope. The hope is in the rise of a new revolutionary leadership among the Muslims. Once this process begins, the rest will follow.

Hindu nazis are bound to become more aggressive. The new nazi govt. in MP has banned cow slaughter and in Rajasthan *Vande Mataram* singing is made compulsory. More dangerous steps will follow. The Hindu nazis are like those monkeys given a double-peg of brandy. They become uncontrollable.

Hence we welcome the Hindu nazi drive to bulldoze the Muslims and thereby help the Muslim masses to rise in revolt against their internal enemy. The revolution will begin only then. ■
